“ I had the pleasure to have met "Porky" four years ago working at Miller Honda. He was always a very kind man. I worked in the Accounting Dept. and he was often the errand runner for our department. I was concerned about "Porky" on many occasions and he told me about his condition. He has always been in my thoughts and prayers and I will continue to pray that God will wrap his loving arms around all of you and comfort you today and the days ahead.

“ Kathy and Jimmy and all the rest of the family,
I first met Porky in 1981 at North American Breeders. He made me feel instantly like an old friend, it was the same for everyone at work employees and customers. After 8-10 years of working together it really hurt to see him leave. He was a master at his trade, working with bulls. After my 40 years working in that business everyone needs to know he was one of the best, he was never really replaced.
Sadly we have lost touch with each other but he is fondly remembered.

“ Porky was my best friend in high school. We remained in touch for a few years From 1961 until 1965. Porky was a GREAT and LOYAL friend. He was like his mother a very special lady. He cared about people. In 2007 I returned from South Ga. and went to Millers Honda to see Porky. We tried to get together for lunch but it didn't seem to work out. God thanks for allowing Charles Albert Anderson Jr. in my life I will miss him. To Kathleen Jimmy and all who knew Porky my deepest sympathy. Porky did not pass God called him home.

“ I worked with Charlie at Miller Auto Group he was a great guy and I will surely miss him. I loved hearing his stories about his dogs. My prayers go out to his family but I know he is at peace and no pain. I know whenever I look at that chair outside the cashiers door I will always think of him. I know you are at peace now.

“ I am surprised that nothing was mentioned about his time at Miller VW and Miller Honda in Winchester, when we bought one of both from him, in 2002 and 2008. He always called me to ask if I'd like to test drive new and interesting models, which I always did, enjoying his company in the process and learning about these new models, in detail. He was perhaps the best automobile salesman I've ever known and certainly one any automobile dealer would be very fortunate to have on their staff. Rest in piece, my automobile friend.
