“ My deepest sympathy to all of Debbie's family. My heart broke when I found out she had passed. She was a client and friend of mine for almost 12 years. She was a beautiful soul inside and out. We shared a lot in common especially our love for our kitties. My Saturdays will not be the same without her. She touched the heart of every person she met. I will miss her dearly!!

“ I have many fond memories of Debbie from junior high and high schools. We rode the school bus together and later drove to school together. We had Spanish and year book classes together. She was a dear friend during those years. My deepest sympathy to her family. - Teresa Lazazzera Strohmeyer.

“ My sincere condolences to all Debbie's family and friends. We worked together starting in 1983 in the CCU at what was then Winchester Memorial Hospital. She taught me so much and was a wonderful mentor. She and many of the other wonderful nurses I worked with are the reason I still work in CCU today.
