“ My great aunt Dot. I agree with my aunt Joy that the older we get and the farther we live from people the harder it is to keep in touch. I'm doing my best to continue to keep in touch with many family members. I didn't keep in touch with my great aunt but I am blessed to have some memories of visiting her as child thanks to my aunt Kathryn. I remember apple butter and catching fire flies outside their house. I even believe a little wooden jewelry box I have was given to me by uncle Fred. I remember going to the pool one summer Jennifer was pregnant. I don't have many memories but I am blessed for the ones that I do. May she rest in peace and is reunited with family.

Much Love,
Christine

“ My Aunt Dot....I will always have fond memories of the times we spent together although there were not as many as I would have liked. Unfortunately as we all get older it seems our lives become hectic dealing with our own personal issues and we lose touch with our family members who do not live close by. Even though we did not speak on a regular basis she was always in my heart.

I remember her being a great comfort to me when my mother (her sister Carolyn) passed in 1993. I know they are together again and will be watching over all of us. My mother now has another mother figure with her to deal with my brother Robbie, and my cousins Keith and Jeff so they don't get out of line lord knows the three of them together could be a handful!!

They are both reunited with their husbands , Uncle Fred and my father James Coffman. May you all rest in peace!

I am so sorry for loss Jennifer and Timmy, please get in touch when you are up to it.
Love you always ,
Joy Snowberger.

“ I also knew her as "Aunt Dot". When i was told of her death I thought "she will now be reunited with the love of her life, her husband Fred".

She was a very special lady, and I loved her sense of humor.
Her neice, Jeanne Cahall Richard.

“ . She was my Aunt. She was always very pleasant to me and my siblings. I can remember my Grandmother telling me that her Rolodex was becoming thinner the older she became. I feel that now.....with the loss of my brother Keith, Jeff, and now my Aunt Dot. Rest peacefully Aunt Dot. I appreciate all you were to us. Your nephew
Kenny
