“ Our family is sorry for your loss. Doug was a really caring individual and touch many hearts while he was with us. Let me leave you with some caring words that might help you all through this difficult time.

I'M THERE INSIDE YOUR HEART.....Right now I'm in a different place, and though we seem apart, I'm closer than I ever was... I'm there inside your heart.

I'm with you when you greet each day and while the sun shines bright, I'm there to share the sunsets, too and I'm with you every night.

I'm with you when the times are good, to share a laugh or two, and if a tear should start to fall.....I'll still be there for you.

And when that day arrives. That we no longer are apart, I'll smile and hold you close to me.....FOREVER in my heart.

God Bless, Brownie, Dee Dee, JP - Mike, Ruth, Threase, Mikie, Lisa

“ I worked with Doug for several years. He was always happy, and joking around. He had a great personality, and an even bigger heart. Rest in peace, my friend.

“ A LETTER FROM HEAVEN

When tomorrow starts without me, and I'm not here to see,
If the sun should rise and find your eye, filled with tears for me,

I wish so much you wouldn't cry the way you did today,

While thinking of the many things, we didn't get to say.

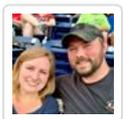

I know how much you love me, as much as I love you.
And each time you think of me , I know you'll miss me too.

When tomorrow starts without me, don't think we'er far apart,
for every time you think of me,
I'm right there in your heart.

Louise and Family. Dorothy and I grieve for your loss. We will miss our friend of over 30 years. I know he is in all of our hearts each and every time we think of him.

“ I worked with Doug out at Shea, I've only known him for about a year, but what a wonderful person he was, always a positive person, I looked forward to seeing him in the mornings and speaking with him seeing how his day is going to go, and joking around about I'm suprised your still here, he was one of those people who made work actually enjoyable, he could light up the room, he would truly make a crap day turn around that's forsure, not only will the jobsite be lesser, but the world lost a great human being, I'm truly sorry for his family and close friends you lost a Great person

“ Doug was always the jokester. We would pick on each other and before you knew it he was chasing me out the door across the road and gravels barefooted and all. But he was a great man, loving, and the best friend you could ever have. Rest in piece my friend your already missed so.

“ I am so sorry to hear this. My thoughts and prayers are with you all. As my heart is saddened I'm setting here thinking of all our good times we had growing up. Remembering playing hide and seek and tag and all of us setting on the ground enjoying our stories. You always made the room light up and put a smile on everyone's face. Please give hugs and kisses to all our loved ones in Heaven. R.I.P. Fly high
