“ Uncle Jackie was my dad's baby brother, younger years he lived with us growing up so he was like and older brother than a uncle. So glad I was able to reconnect. Love and hugs to his children and grand babies.

“ We are so sorry to hear about the passing of uncle Jackie and wish we were able to attend in person but we are sending our prayers to you and the family because distance prevents us from coming to town..my one memory with him was when we used to go to aunt salom and uncle Pete's to make homemade ice cream and he had to go to town to get ice and I tagged along...big mistake he run down middle road so fast in his 1956? Chevy it nearly scared me to death...but loved every moment of it!God bless one and all!

“ I know Tim Smith because he has kept my home pest free for several years. Tim has always been polite, professional and thoughtful. I am a very happy customer because of him. Today.8/24, Tim told me of his father Jack passing. I am praying for Tim and family and know how it feels to lose a father.
May God give you hope, comfort and rest in your souls as you look to Jesus Christ our savior.
Bless you

“ My heart goes out to my dear friend Timmy and to James. Jack was always so happy watching racing at the track. He will always be remembered by me for his smile and constant ribbing. I had a lot of respect for the person he was. This news saddens me so...May you Rest In Peace Jack...
