“ I am so sorry to hear of Jack's passing so late. My dad Jim Keller played bass with Jack and the Dixie Grass. I have so many fond memories of bluegrass festivals and camping trips to Harpers ferry with Jack, Diane and Terry and all the holidays we spent together. Hope you are happy in heaven miss you and love you so much.

“ Jack was a dear friend and inspiration. I will always remember my Dad and Mom taking me to see Jack Fincham & the Dixie Grass around the DC area and how he took to me as a young boy wanting to play the guitar. He never forgot me and kept in touch for years to come. I first heard him as a kid on a Baltimore radio station playing live and told my Dad "I like his music and we need to go and see him". He will be surly missed. My prayers go out to the family. God Bless!!

“ I was so sorry to hear of Jack’s passing. Please accept my heartfelt condolences. I have many fond memories of him. I’ve known Jack for more than fifty years. I loved his music and his Dixie Grass Band, my favorite kind of music. He was a wonderful police officer in the town I grew up in, Edmonston, Maryland. My parents were on the Town Council in the sixties, so I got to see Jack a lot. We had a lot of laughs and fun. My parents were very fond of him as well. May God bless comfort you as you grieve.
