“ I want to send my deepest condolences and sympathy to the family .I remember growing up on North Loudoun Street . Jimmy laughing so hard at Scott because he was given a snapping turtle and he brought it home on the bus. Not knowing what it was Judy ,my mom Mary, laughed and Jimmy laughed saying don't you know what you have . Scott said yes a turtle. Jimmy told him he had a snapping turtle. Faye backup my mom Mary laughed and backup Judy said boy. I never forget that nor the times back then. My mom told many of the happy times on Loudoun with the Newlin family about wait for school bus. How we watched out for one another. She spoke of these to her grandchildren and then to her great- grand son was born before she passed in 2015. So I end with the from one family to another that love, peace and blessings love Winnie Elliott Helen Elliott Mason and family

“ Jimmy and I went through 7 years together at Gore Elementary school and became good friends during that time but when we headed to JWHS we sort of went our separate ways. I'm not sure if he graduated with our class in '64. I left the Winchester area after graduation to never return there permanently but I knew of the area where he grew up on Newlin's Hill. Philip also went to school with us but as I remember was a year ahead. Sorry for your loss, sincerely Butch Triplett

“ A very good friend to my father who will be missed terribly. May you Rest In Peace 'Big Jimmy'. Tell my Pops I said Hi and don't you two get into trouble together. I'll miss the conversations and the laughs we shared. Have a cold one and save me a seat until I get there.

Much Love and Respect
