“ Joan was a beautiful strong woman who I loved deeply. She loved all of us for who we are, sometimes in spite of ourselves. I am blessed to have had her in my life and am a better person for having known her. Her memory will live on in all of us, God keep and bless the family

“ I am very sorry to hear of Joan's passing. I worked with her at GE for many years. We had a lot of good times. She was a good person who loved her family. She was a very real lady, she didn't have a problem telling you exactly like it was...and then laugh and offer a hug. I will always remember her with a smile. She is at peace now and reunited with her heavenly family.
Please except my thoughts and prayers during this sad time.
