“ Kenny and I met in the early 1990's. He was a dedicated Southron and together we reestablished a Sons of Confederate Veterans Camp in Winchester, had great times reenacting as the Winchester Boomerangs of the 13th Virginia, and spent many hours just talking over the years. My condolences to all of you. Rest in peace compatriot.

“ Aunt Sally, Pam, Brenda & Kathleen, my heart aches so very much. I love you all so tremendously. Kenny and I shared so much together as kids, canoeing, fishing, search for arrowheads and civil war bullets. His knowledge of the War between the States was second to none. Kenny was an incredible man. Even though we could not see one another as often as we liked; when we did see one another or spoke over the phone, it was as though we never missed a beat. God bless you all and know Kenny is in the Kingdom of Heaven.

“ Kenny will be deeply missed. I've been doing Civil War events with him since the 1980s and have shared many great times at numerous battlefields with him. I have a jacket he made for me and I'll think of him every time I wear it.
