“ Pop. I already miss our car rides and the continuous laughs. Riding past Golden Corral and wondering how people could eat in there, especially now. The silly things that would make us giggle and talking about the kids. This is tough. I am just moving moment by moment. I love you.

“ Our families (The Bud Andrews family of Robersonville, NC) and the (Price family of Williamston, NC), grew up in MARTIN County, NC. We went to schools, worked local jobs, attended local churches, and grew families in the area. Generation migrated to other parts of the country for better jobs and lives. We have one biological connection in Ms. Regina Andrews and her children thru Ollis Andrews Lundy, Regina's Mom. Our hope is for a beautiful going home service for "Buddy Price." and continued connection of these two families. Submitted by Walter Andrews (EHS class of '60).
