“ *Mike...life has had a funny way of bringing old classmates back around.little did i know i would someday be your brother in law. I am truly sorry for your loss of your mother. But ..please know that she is far better off now than we are. She is now home with her Lord and family that has been waiting. One day we will be called home and we will once again be reunited with our loved ones. Your mother always showed me great compassion. She is and always will be remembered as a loving and God fearing woman that wanted nothing but happiness for her family. If you ever need me for a chat or anything..just call. God bless you and your family.  
Your friend David.*
