“ *Amber, we lost touch after 10th grade at James Wood. I learn of your passing today 4 years after. I'm so sad. Thinking back on all the good times we spent together doing the innocent teenage girl things. Maybe not always innocent.. I have missed your friendship since. Often tried to reach out to you but I was unsuccessful. Amber you were a great friend to me. You will always be missed. Now looking down over your daughter you can see the greatest accomplishment of your life. She's beautiful. RIP my friend till we meet again.* ”

Amber was such a beautiful person inside and out and I am so honored to have had the privilege to have been a part of her life, she brought so much laughter to my days that we spent together in the Guest House, it breaks my heart that she lost her battle but I pray she is resting easy. I love you girl and thank you for all the wonderful memories
