“ I worked with Andy and Buster at Rubbermaid. Andy was full of laughter and big smiles. Sorry to hear this, but I'm sure I'll see him again. RIP.

“ Jr was such a wonderful brother--in--law to me. He made me feel like family immediately!! He was a hard worker, whether driving for ConWay, working at Rubbermaid 🚗🚗, or on the farm. He was always willing to help and to prank someone!! We even had contests to see who could eat the hottest, spicy foods !! Jr and Sheila both, were a big help to me and Buster, while we were taking care of my late mother. He was such a kind, caring, funny soul. He has left a huge hole in my heart. Until we get to prank each other again, soar free my Jr ❤️❤️❤️
