“ I work at Wal-Mart on route 50 and I would always see Miss Angie and give her a hug and tell her she's in my prayers and that I loved her. She always loved looking at the flowers in the garden center. She always had a positive attitude. I just seen her a couple weeks ago and she told me they called in hospice and I hugged her and told her she is still in my prayers and told her I loved her. She was definitely my favorite customer. I'm so very sad to see she has passed. She was such a tough woman. My prayers are with the family. Love you still Miss Angie! Fly High!

“ To Danny and loved ones, my thoughts and prayers are with you all. This breaks my heart. She fought this thing hard and everytime I saw her she was always positive and just being her own happy self. Bless her heart. The last time I saw her was at Round Hill Grocery store and we talked and she patted her chest and said " He's in here". She is in Our Lord's arms right now. From Ben & Linda
