“ I am honored to have known Ann. She was a blessing to our family; a sweet mother and grandmother. How so much fiery Cajun spirit and so much love could fit into that little body, I will never understand, but I sure am glad that I was able to experience it.

“ It saddens me dearly to hear of your passing. I will forever cherish the moments we spent together from our Younique makeovers, baking things even though you didn't want to because you said you couldn't cook lol and the luncheon we had. You will be forever in my heart ❤️. Fly high sweet lady until we meet again.

“ A Mother is a child's first bonding love. My Mother was my best friend and the one I could always count on no matter what . My Mother is who molded me into the man I am today and I thank you for that Mom. While I cannot hold your hand and walk with you now, i will again someday. I will always hold you in my heart my soul and my memories forever. We will be together again someday in Heaven. For now God has called you Home and my work here is still needed but we will walk hand in hand again someday Mom. I Love you Mom and miss you more than words can say. XOXO. Heaven has received another Angel ❤️
