“ Tim, please accept my condolences on the loss of your mother. Audrey and I worked together from my first day at National Fruit in late 1989 until her retirement in 2006. She was a true professional in every sense. She went above and beyond her job responsibilities and handled a wide variety of duties. She was extremely thorough and accurate, and I could always count on her to get things done on time even when I was out of the office. I don't think she ever missed a day of work. They don't make them like her anymore. I know she was very proud of you.

“ Audrey has become a great friend over the last several years. She was a beautiful, smart and strong woman. She loved her family above everything else. I will miss seeing her each month for lunch. Sending prayers for her family.

“ Tim, you have my deepest sympathy for the loss of your Mom. Audrey was my executive secretary for the ten yearsni worked at National Fruit. She was excellent and made my job much easier. Your Mom was a great supporter of all my marketing ideas, including our NASCAR Racing Program (Johnny Juice Smith), SipN'Snack and a ton of other projects. Always beautifully dressed, I considered her a true friend and a fine Lady. Jay Stewart White, Baltimore MD
