“*Faye was a shining example of a Christian wife and mother. We often talked about her children and what was going on with them, and how she always wanted the best for them, even when they didn't follow her advice. She was a perfect match for Russell and both were reasons we were members of churches we belonged to with them.*

“*Jon and I have been blessed to know Faye (Audrey) for almost 20 years. Russell and Faye were almost always together and I can't help talking about Faye without talking about Russell, as they were a package deal. They loved each other dearly and we were blessed to have such dear friends. They loved their family, friends and their church.*

My fondest memories of them include, dinners and playing games, such as Domino's with other dear friends, and laughing for many hours related to the stories shared amongst the couples. My comfort comes from knowing that she is with Russell and Jesus. I look forward to the day when we are all together again with our Lord and Savior.
