“ *Betty,
I'm sure you will be greatly missed. I always looked forward to seeing you when I would get my taxes done. I brought you some golden delicious apples which you always seemed to look forward to, only to find out that you had went to be with the LORD. i will miss seeing you, but I know you are in a better place. May GOD Bless You and your family and all the people you worked with.*

“ (Sissy) as my family and I called her all our lives, was my Aunt but most importantly my 2nd Mum. My biggest cheer leader, along side my Uncle Bron. Most people only get one mom but I have always felt growing up, in my heart that I had two. It's hard to let her go but knowing she was greeted by Bron with "hello darlin'" warms my heart so. What a truly glorious reunion she will have with him and her mom and others taken too soon. I will miss you for the rest of the days of my life Sis, you raised me up. ❤️🙏😭

“ Betty was like a second mom to me. I stayed at there house all the time as a child. She treated me as one of her own children. I'll never forget all the memories we shared and all the trouble Tiffany and I caused her. We definitely kept her on her toes and she kept us in line as much as she possibly could. She was one of the sweetest and would do anything for anyone. She will greatly be missed and I will be keeping all of her family in our thoughts and prayers during this difficult time.

“ Wow, so many to choose from. When I was 18, mom wasn't feeling well so she and dad went to the doctor. They came home and mom had this very weird look on her face. Dad looked at me and grinned when I asked what was wrong. He said, “she's pregnant"! I'll never forget that look on her face! She had my only sibling when she was 37.
