“ Although I never had the pleasure of meeting you, I did know of you and the love you and your Grandfather (David Nestlerodt) share. I watched you grow up through photographs because your portraits are all over your Grandfather and my mom’s house. He would light up whenever he spoke of you. I know you will be sorely missed, I look forward to sharing in the moments as your memories live on in his and your loved one’s hearts. We ask ourselves why but, only God knows. In our eyes you are gone too soon. Rest In Peace, sweet girl.
