“ I am so sorry for your loss. The death of a love one can be extremely difficult to cope with. Many have found comfort in the many promises found in God's word the bible. Acts 24:15 has special meaning for many. There it speaks about the resurrection. By means of the resurrection our loving Creator, Jehovah God, will restore life back to those sleeping in death as promised (Titus1:2). Please embrace this wonderful promise of God during this difficult time.
