

Carol Irene King

August 21, 1957 - August 30, 2025

Carol Irene King, beloved mother, sister, friend, and public servant, passed away peacefully on August 30, 2025, in Winchester, Virginia, at the age of 68. Born on August 21, 1957, in Virginia, Carol lived a life marked by generosity, intelligence, and unwavering devotion to those she loved. She dedicated her career to the federal government, rising to the GS-15 level and leaving a lasting impact on every workplace she touched. Her commitment to service extended beyond borders—Carol volunteered for six months in Kuwait to support U.S. troops, earning multiple medals of honor for her bravery and dedication.

Carol was a woman of many passions. She found joy in quilting, cherished evenings on the porch with music in the air, loved making (and checking off) to-do lists and spreadsheets, and treasured time spent with family, friends, and her pets. Her laughter was infectious, her kindness boundless, and her spirit radiant. She danced through life with grace and humor, especially in the company of her sisters.

She is survived by her devoted daughter, Heather King; her loving sister, Laurie Byrne; her lifelong friend and former husband, Sean King; her cherished dog Charlie; and her adored grand-dog Miss Pickles. Carol was the best mother Heather could have hoped for, offering 40 years of unconditional love, wisdom, and support.

An Irish wake will be planned in celebration of Carol's life, with details to be shared by Heather on social media. In lieu of flowers, the family encourages

acts of kindness in Carol's honor—help someone, make them laugh, or simply sit and listen to music on a warm evening.

Carol was a ray of light in the lives of all who knew her. Her legacy lives on in the hearts she touched and the love she gave so freely.
