“ I sorry for your loss. Carolyn was my next door neighbor when we lived downtown in apartments. She was a great lady and a very caring person. By knowing her for a short period of time I do know she loved her family very much.

“ Carolyn was such an important part of my childhood and teens. The Drish family always welcomed me into their home. Carolyn would make tomato sandwiches and we would play in the creek. A miracle we didn't get snake bite. We had so many good times. Lots of laughter. I will forever hold her in memory in my heart.

“ Carol and I grew up together in Middleway. She and Mrs Drish introduced me to tomato sandwiches. There was always lots of laughter in the house. We would play in the creek. How we didn't get snake bite, I will never know. As teens we shares all the fun girl things. I was deeply sorry to hear of her passing. I will always remember my youth in Middleway and Carol was such a lovely part of it.
