“ Condolences to Chuck's family and many friends. I met Chuck at Handley High School while on the track team. We became good friends at Virginia Tech, playing lots of basketball and as one of his roommates. Both my wife and I were very saddened to hear of Chuck's passing, he was a groomsman in our wedding over 30 years ago. Every time we look at old wedding photos he had the biggest smile.

Where do I start remembering Chuck Streit?

Maybe too much fun in high school, hanging out on Middle Road, riding in his hot rod Volkswagen bug, summer working at Rubbermaid-his second home; riding bicycles on the C&O, Creeper, and New River Trail. Sharing a bedroom in college you learn a lot about each other...

How many of your guy friends will make breakfast for you? He called them "Chucky Taters". Trips to Winchester for me are rare but Chuck was my first stop, and he always made it feel like home.

My family has "Chuck-isms" that make their way into our lives without fail.

I think it is better said how will I stop remembering Chuck?

A person's life is measured by the dash between the two dates. Chuck filled that dash with good times, good memories, good friends and a heart full of love and compassion. He will be missed by everyone that had the privilege of knowing him. Janna Cather former RCP

We shared so many things in common working at RCP such as Handley High School and VATECH. It was always a pleasure dealing with Chuck in all things commonality, work, friendships and whatever came to mind. You were always supportive in all things and very much appreciated.
