BF

“ I worked with Denny many years at Schenck's and counted him a good friend too.
I was glad to count Mable as a good friend too and got to share memories of them both.
My thoughts and prayers to Mable and rest of his family. God bless.

Please know how sorry we are for your loss. Denny was a good friend.
We worked a long time together and go way back. Mary and I are to help if you need anything
