“ Phil and I were very good friends for many years. We were in Craig, Colorado when he met his wife Anita. We lost contact after a brief visit in Lake Tahoe. I loved Phil like a brother and my parents loved him too. He is gone way too soon. I truly wish Anita would contact me..I am 72 now and my wife is on dialysis. Phil had a friend in Reno named Dallas Johnson. I assume the hep c finally prevailed..Phil was a wonderful and caring friend. I miss him alot.
