“ *Dear Chevon,
When I learned of your passing I could not believe the news. You were too young and full of life to leave us so soon. Then I found out about the illness that took you away from us. I'm sorry you had to leave this world so soon. I want you to know that I appreciated your support during my year in Loudoun County. Your positive attitude, sense of humor, and your work support were priceless to me. You were my office next door neighbor, so as you know, I visited you a lot. I am glad I had the honor and the pleasure to have met you. As I'm writing this note I am seeing your smily face as if we were visiting each other in the office. I hope to see you again when it is my time to leave this world. Have fun in Heaven and enjoy the presence and the love of our Lord Jesus Christ. Love,
Juani*

“ *What a wonderful friend and truly marvelous woman. She made me feel welcome in a new and difficult environment of social services. With our trio of myself, Dot and Chevon, we shared fun cocktail nights, Mexican dinners, sharing our life experiences with work, kids and the ups and downs of life. Chevon was truly a unique individual and I am truly honored to have known her. The world is a better place for her being in it. I will miss my friend.*

“ *Chevon was the best person to talk to, she really listens and gives the best positive advice. Even though she didn't like to be bothered (Lol). I will miss my best friend/sister. RIP peace Queen.*

“ *Unknowingly, Chevon shared her joy, wisdom and devotion to her family as a mentor to me. When we met, she was my supervisor who became my friend. We would talk in her office about our shared experiences as single mothers and the chaos that comes along with it. We would laugh, we would cry, we would reflect and we would also talk about what is to come. She is a pillar and always has been for her family and for those that loved her as family to them. May her memory be honored regularly in all the things she would enjoy, appreciate, or even have a comment for. I will miss her, especially her smile and laughter, but will carry all in which she poured into me and pray that I may do that for others. Rest in paradise Chevon, you are a beautiful soul.* ”
