“ I had the pleasure of working for Mr. Spanos when I was in high school at Leesburg Pharmacy. He was the first person I had ever sat down with and had an interview. I was a little nervous and he made me feel at ease during our conversation. He was always a pleasure to work for, I looked forward to his smile and his laughter each day. I am so sorry for your loss. He was a good man who left a good impression on me from the second we met.

“ We are sorry for you loss. I worked with Chris at Drug Fair and he was a fine man. He treated all with respect and I valued his work ethics. What a blessing to have 66 yrs of marriage. I enjoyed to see Mrs. Betty come in on occasion. She was always looking like she had just been to a spa for the full treatment. What a pretty and gracious lady. May God Bless all of you with His peace that passes our understanding.
