Ruth, so sorry for your loss, Claude was a very nice person. I remember going up to B & M with dad when I was little and Claude always would ask how we were doing. And when dad worked for Claude at the gun shop I'd stop in and Claude always was quick to smile, he just had such a wonderful personality. He will be greatly missed.

“ *Thanks to Claude and Ruth, I started out as a 16 year old kid not knowing a lot about life. They both taught me an awesome work ethic, how to deal with the public and how to treat people with respect. I thank you both so much and I am so sorry for your loss. He will be sorely missed.
