“ I remember extreme kindness and a sharing young man. I was a just a displaced, struggling troubled kid and Clement befriended me all thru the third to fifth grade. Clement shared everything he had on the farm with me and helped make me a better person. He gave me a purpose by making me want to be as nice to others as he was to me. You never forget someone that does that much for you in life. Thank you

“ As a young teenager I remember riding dirt bikes with Clement and watching hit jumps that I was reticent to hit though I had two arms. Somehow Clement didn't get the fear gene that most of us have which is designed for self preservation. This lack of fear might have been nutured by riding around with older brother Paul driving down the highway with the car up on two wheels.

“ Our family was welcomed by the Negley family when we were new church members. I remember the social times together with other families at their house, and staying after school hours while afternoon barn chores were being done until mom could pick me up, and oh, the corn roasts with wagon rides for all and go-kart rides with Clement! Thanks to all the Negley's for the lifetime of friendship.

“ I remember when Clement and Judy lived on Mt. Aetna Road in Hagerstown, MD. He parked a car that he was trying to sell in his front yard for \$700 and there were no takers. He dropped the price to \$600 and still no one. Then one day, someone came around the corner to fast, went into the yard and smashed into the car. Clement first reaction when came home was "Well I guess I sold the car" The insurance gave him \$1800. Everyone us wanted to park our old clunkers in his front yard. He had an amazing sense of humor and was on of the best persons I have ever known.

“ I had the privilege of going all the way through grade school with Clement. I still remember how traumatized many of us were when he lost his arm and how impressed we were with how he endured that testing time and got back into the swing of school life.

I always thought well of the family and remember that they took care of me and my brother a short time when our parents were away. I remember sliding barefoot through the manure in the courtyard of the milking parlor.

I also remember sledding on their hill in the winter time. I still remember Clement playing baseball with his one hand. He was impressive!

Though we haven't talked in a long time my wife and I would like to express our condolences to his family.

“ Clement (Booboo) was friend and family. He was the kindest person. He always had a open hand to help you when needed. Your truly going to be missed with all of the joy you brought to those around you. I'm looking forward to being with him in heaven where we can join hands together and sing those wonderful songs we were taught in Mt. Aetna school together. My God send peace and comfort for his wife and family 🙏❤️

We were blessed to have you in our lives through the years, though the time will never seem to have been long enough. The world was a better place with you in it.

With heavy hearts we have had to say goodbye to a wonderful brother and friend. As time passes by, we will hold sweet memories in our hearts, thinking of you often because we truly were blessed to have you. Love and miss you, Mickey and Carole

“ *I worked with Clement for almost 12 years. He was the best client I could have ever asked for. He helped me out many times! He was one of the most honest, hard working men I've ever known. He loved his family more than anything and everything he did, he did to make sure his family had a good life. He was so proud of his children and grandchildren, especially that Evan carried his middle name and that they both were carrying on the Negley name. My heart goes out to all his family and loved ones especially to Judy, Travis, and Cindy. He will never be forgotten. I'll love and miss him the rest of my days.*

Clement only met you once, but worked with your other half many years. I learned real quick the most important thing to both of you was your family. Your beautiful children and grandchildren were your life, and pride and joy. Over the years so many wonderful little stories were shared about you and they were mostly about family. They will miss you, and love you till eternity. Rest in peace.
