“ Chris, Tonya and Crystal I am so sorry for your loss. I have a lot of precious memories with your Mom and Dad and you girls growing up. They were good people and good friends. Your Mom came to visit Ray and I when she was in her health challenge and so was Ray going through his. She had been to Sheetz which we lived right across from. Ray ask her if she had eaten and she said yes I got a sub and ate the whole thing. We all laughed and just had a good time visiting and laughing and encouraging each other. Also good memories with your Dad eating popcorn at their house and laughing about silly things. So love you girls and will always feel a connection to you. They are home and well and enjoying being there together smiling and laughing.
Love, Connie
