It is with a heavy heart that we have lost an important member of the Orrick Cemetery Board, Curtis Lee Slaughter, of Stephenson, on the 29th of October 2023.

He was born June 25, 1971.

He served as secretary/treasurer of the board for over 15 years.

He attended school to become a nurse and worked in nursing facilities within the Shenandoah Valley. He also taught school in Loudoun County Public Schools for a number of years.

He was the son of Robert and Francis Slaughter and the husband of Anna Louise Strother Slaughter. All preceded him in death.

A graveside funeral will be 11:00 am Saturday in Orrick Cemetery in Winchester.

Curtis was a very private person, who could be relied upon and was a good, faithful friend.

“ *What great memories I have growing up with Lee ... from sleepovers at his house to moving in with my family when his dad passed away. I will always consider him a brother from another mother and will treasure his memory. Rest in peace, dear friend!* ”

“ *O Lee... I'm so glad that we came to see you in July. (I fought for that.) You were full of laughter and it definitely poured over to those that you cared most about. I love you and thank you for being a great big cousin. From Zalika and Gio.* ”

“ *Curtis I'm so heartbroken 💔 I can't believe I won't hear your voice anymore. I'll miss our phone calls about cobwebs, ghost, horseface people. I'll cherish all the good and bad times. Glad you are not in pain anymore and can be reunited with your parents, Anna, Sugarpooh, Emma and Cora. RIP LEE 🕊️* ”

“ Dear Uncle Curtis, know that you will be missed. From our late night calls of you reminding me of how life could be and get... How you were going through your own grief of losing my aunt Anna, you shared details of how I reminded you of her. Please rest easy and know this life will leave no one unscathed. You helped through some challenging times I went through and for that I grieve your loss. - Your niece Anna Angel
