“ I worked with Cindy for many years at LFCC and hung out with her some outside of work before she married Mark. I remember when both of her boys were born and then fast forward to several years ago, her son Matt married my great niece Katie. Cindy was a beautiful person both inside and out and will be missed. My thoughts and prayers are with the family during this difficult time.

Cindy was such a nice lady! When i saw her mid April, she seemed great and her same old wonderful personality. She seemed so happy. It has been a pleasure to work with her for about the past 25 years and she was just a kind and intelligent nice lady. It is such a shock to me. Mark, I know she is greatly missed but you were so blessed to have her with you for 41 years or more. My prayers go out to you and your family.
