“ *I wanted to express my condolences for your loss of David. Something that has helped many to cope with the death of a love one, is knowing how much compassion Jesus has for the pain of someone suffering. (Luke 7:12-15) This Bible account gives us a wonderful hope of the resurrection of our love ones. Also, God promises the tears of loss we shed today, will be removed forever along with all pain and sorrow. (Revelation 21:3-4) I hope you find comfort in these wonderful promises from God.*

“ *Mabel and Barbara I am so sorry to hear of Dave's passing. I will never forget our fun times together at the 1-2-3 Store. He will always be my favorite Boss! I always enjoyed running into Dave and Mabel no matter where I am to always catch up and reminisce about our times together. My heart goes out to you and your family. Dave was a great man! I am truly going to miss him! Heaven has gained an angel! You are in our thoughts and prayers.*
