“ With deep sorrow, I offer my condolences to Deb’s family: Neil, Sandy, Jimmy, her son, and all her family and friends. I remember Deb as an outgoing, funny, and fun high school friend. She had a good memory and was a great storyteller. And I remember her as a talented artist. We last spoke about 10 years ago, and I now regret not staying in contact. May God bless her and her family. Fondly, George Baltimore.
