“ *Debbie will be missed by many, she was very special to us here at Evergreen, Debbie was just a joy to be around. May she rest in peace and my prayers is with the family, just know that God has received another special angel.*

“ *I was saddened to hear of Debbie's passing, she was always such a joy. I will miss her and the fun we shared during my visits with my relative. She would tell me I was crazy (pointing to her head with a circling finger) or trying to get me to come closer so she could spank with her ruler - smile. I loved to hear her laugh. Yes, I will miss her but I thank God that our paths crossed. My prayers are with the family.*

“ *She was a wonderful person. I used to work where she was staying and I had my brother dress up as scooby doo for her birthday. She will be missed*
