“ Donnie was my cousin and we grew up together. I have many fond memories of the good times and situations we got into growing up. We played baseball, football, basketball at our parents homes. We went to school together and at James Wood we would sit on the steps during High School between periods and say one of Donnie's favorite sayings "Well I be a horses banana" We were in Band together, and went to our Junior class Prom with 2 of the most beautiful ladies in our class.. We spent many wonderful times at our Grandparent Brown's home. Donnie was a cousin, a good friend and a wonderful pal. He attended all of our 5 year class renuions, except our 55th. He was taken too soon, but God will have a great person to talk with over the many great years that God gave him on earth. He was a wonderful Father, husband and friend to many people. Along with his family he will be missed. Gail was very proud of him as her husband.

“ I remember Donnie mostly from being in the band at JWHS with Mr. Turner. Those were fun, carefree days. Rest in Peace, my friend.
