“ I was so very, very sorry to hear of the passing of Donna. Donna used to be one of my babysitters for my boys so many years ago. She was a wonderful, sweet, fun loving person. I had not seen Donna for years but never forgot her. I loved Donna & sure wish I had kept in touch with her. I actually went to school with her brother, Barry. I truly extend my deepest sympathy to all of her family. What a tremendous loss.! I would have surely been there, however I only found out after the fact. Much Love & Blessings to each member of her family. May God Bless you ALWAYS! With Love, Judy & Jimmy Carroll & Family

“ My thoughts of you were always in my heart- I have so many memories of us sharing our lives together- you were the "coolest" Aunt as we were growing up, and with you only a few years older than me, it was always fun to have you:) We laughed and cried together over many things and I will cherish them forever- You never, ever gave up on me and always gave me hope! You fought the battle so courageously and I admire that so much- No more pain and I know that Heaven has a wonderful Angel :) I love you and will miss you bunches!

“ My thoughts & prayers are with you all. Growing up with David, I have lots of fond memories of Mrs. Neff. She was always so sweet and caring and always welcomed me warmly into the home. I will keep the memories with me as I'm sure will all of you.

John 14:1-4 “Let not your hearts be troubled. Believe in God; believe also in me. In my Father’s house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going.”
