“ Dorothy (we called her DeeDee) helped me raise my family. So many days she spent with my three boys so that I could have a few hours to myself. We will always love her. And knowing her own children, I can say, DeeDee was a good momma.

“ Don & Dorothy have been dear friends for over forty years We became friends at a skirmish in Palmyra New York. They came to a shoot with Musket the dog. Dick and Donnie both play guitars. Between music and loving dogs. We became friends. Trips back and forth between Virginia and New York happened often. We celebrated anniversaries, birthdays, and many shoots together. Dorothy was a angel I will miss her so much . Rest in peace my friend. Dick & JudyKilleen

“ I've started this 5 times and I still don't know what to say....Dorothy was actually my sister for a while when I was in the Eastern Star and she gave me a lovely Bible. I always think of her when I hold that Bible.

“ I loved this woman. She was so sweet and loving. Dorothy loved our dog, Lily. Came for visits just to see "her girl" and bring her bones. When Don was in the VA she would stop by and get Lily kisses to take to Don. Such a beautiful person. Dorothy, you will be missed.

“ Dawn & Timmy, your mom and you dad were lovely people. I go way back with them cause your mom was a babysitter for my sister and I. So even at a childhood age a lot of memories. Really sorry for the loss. But God shared the two of them with all of us for a long time and I'm blessed to be part of this family down the vine and was given the time to seeing their smiles and remembering those time frames. God bless this family and God keep you and all the family line well and safe in Jesus name 🙏 Hugs & love
