“ I used to work in the Frederick Co. Treasurer's Office in the late 60s /early 70s, & "Pert " was upstairs in the Frederick Co. Commissioner's Office, along w/ her sister-in-law, Evelyn Pitcock. We had so many good times that I will ALWAYS treasure! So much fun with these special ladies! And, they had me a baby shower, when I was expecting my first child at "Pert's" house, which I'll always remember! May these special ladies RIP! I loved you both so much & will never forget you! Our deepest sympathy and prayers to the family. Susie Boyd Richard

“ I knew "Pert" as we knew her growing up in Mountain Falls along with Harry her first husband and their kids Ronnie and Bev. She was always involved with Bible school with us kids during the summer at Mountain View Church. The community was shocked when he was killed during a logging event and Ronnie and I grew up together before they moved away. It's been years since I too left that community and lost touch with their family. My condolences to the family but at 95 years young we could all be so fulfilled.
