“ *So many things can be said about Lee but above everything I hope everyone knows that he had a very kind heart and Soul, he would go out of his way for those he loved. He would share many memories of his time growing up and stories in general. He loved his family especially his daughter. I'm gonna miss him. I have known him since I was 16 years old so I always referred to him as my Stepdad. He gave me a place to stay when he didn't have to and I will forever be grateful, he loved his animals saying they were his babies. It's a sad day for those who loved him but it was a wonderful day for him as he was reunited with his Family especially his Mom and Dad. You will forever be missed and loved*❤️❤️
