“ Today is the two year anniversary of your death and I miss you very much. I regret all the times I missed out on not being able to hangout with you. But I have some good memories of you. All the inside jokes and how you'd always tease me. I love you grandpa and I hope you are happy. You meant the world to me and still do. Rest easy <3

“ I was a very good friend of Earl's in the 1950's in Washington DC and I also dated his sister Virginia for a short while. I lost track of Earl for 50 years and thanks to our mutual friend Sue Ballew we reconnected. The week before last we had a very nice conversation about the past. In the sadness be thankful that he is with the love of his life and they are happy together.
God Bless Earl and his family,

“ Our thoughts and prayers are with all of you during this most difficult time. Bill and I enjoyed seeing and talking to Earl on many occasions. Such a sweet and gracious spirit he had. We are unable to attend the visitation or service, but we will be thinking of you on those days. May the Lord give you peace.

Blessings,

Billy and Penny
