“ *Edgar was such a wonderful kid when I had him in Biology, but also for four years as I was one of the class sponsors of 2010. I still have his art of my walls and use his energy project as an example to my current students because of his exemplary artistry. I'm so sorry for your loss.*

“ To Edgar's Family:

Edgar was one of the nicest students I had at Handley. He was a phenomenal artist, a great athlete, and just a good kid. He designed several t-shirts for the class of 2010, and he was always committed to Handley Pride. He will be missed. Godspeed.

Tus ojos se cerraron para siempre, tu

Aun vives entre los tulllos porque nadie
Muere si hay tantos que siempre
