“ Ed,
Everyone that knew you has a broken heart right now because we all wanted more time with you. You were a good person, genuine, funny, giving and a joy to be around. Thank you for the memories, laughs and good times, they will be cherished forever. The world was definitely a better place with you in it. You will be in my thoughts and in my heart every time I ride.
Godspeed on your next adventure.

I am completely shocked. I always had a great time hanging out with you. I believe since 7th grade. Had a lot of fun growing up in Deer Park with you. I specifically remember that crazy BMX quarter pipe we built in your backyard. And wow I'm surprised we moved it over to Herbies house cause he lived on a dead end street. That thing was a monster. I always enjoyed those days. We were young and loaded with piss and vinegar. But you.....I got older and you were always 25 in your mind 🤔. Life was great growing up with a friend like you. I'll miss your sarcasm buddy. Hey man I'm coming to look for you when I get up there. We can go out and grab a slice of pizza. RIP my friend

“ Condolences to Billy & Annette, as well as Cindy & her children. I can't believe I've lost my cousin. I do vividly remember all the trips your family made down to Virginia at Apple Blossom. And I couldn't wait to see Ed & hang out with him & Cindy. We all had such great times together. You will be forever missed Eddie!

I don't know where to start .I cant believe you left us so soon at the age of 54. I was so upset when I heard this news in NY. I will never forget you and all the laughs we had in grandmas house in Deer Park. You were always there to help out whenever I needed something . You were a good friend to me . I will deeply miss you and our conversions on the phone and through text . The only thing I have now are you memories that live in my head and heart forever. May you RIP and always JETSKI on lakes in heaven in warm waters my dearest friend. I shed a tear for you as I write this. We all got together here in Long Island and did a tribute to you Tues 8-2-22 at Venetian Shores on the Great South Bay. I said a few words about you and then put 2 slices of pizza in the water for you . Rest easy my friend . The pain you left me with will also be there in my heart for you . Until we meet again one day in heaven . I hope when its mine time you will be waiting there for me at the gates of heaven.
Love you Billy Murphy
