“ He came to me in a dream 10 days before he passed and said "life is but a dream," while glowing white and hugging me-in a footless form.

*We will always have our magic.*

“ *We talked to Eric a few months ago...was very worried about him then. Such a sad thing. We loved Eric but had lost touch with him on a regular basis. He is responsible for our Pimento Cheese recipe! Not only was he a great musician but also a thoughtful and wonderful cook. You will be missed. RIP*
