June 27, 1935 - June 2, 2024

Floyd Linwood Lee, 88, of White Post, VA passed away peacefully at Winchester Hospital on June 2, 2024. Floyd was born in Upperville, VA on June 27, 1935, to Flora May and Linwood Lee.

He was an extremely hard worker, always up for a challenge and had a great outlook on life with a can-do attitude.

“ *I was Floyd's home health nurse for the last year and enjoyed Floyd so much due to his wonderful attitude and nature. Floyd and I had great conversations at each visit about the things we enjoyed most. He loved going to the beach. My goal was to get him to the beach this summer and we were getting there until things went in the wrong direction. My heart goes out to the family. I will always remember Floyd because he is in my heart forever.*

“ *Some of my fondest memories of Floyd were in the kitchen, in an apron and tending multiple pots at once. A man on a mission to feed the gang and bless those of us gathering at "Home Home" for a holiday meal. There was always room for 1 or maybe 5 more at the table. Once family...always family was the motto. At several points in my life I was blessed enough to see the softer side of Floyd. One in particular in which he took my hand and said, "It's gonna be ok. I don't understand either but I know it's gonna be ok." He and Grandma Shirley were a crazy team. They played off each other in tag team fashion. Get-R-done they did ... but never let any of us feel left out. He was a real trouper to the end. By now, I am sure, he has multiple red kisses planted on each cheek. Thank you for being a part of my journey. See ya on the other side!*
