“ Dear Francis Jr, AKA to me: Buddy and Laura, to me known as Sissy, and to your children I send my deepest sympathy at the loss of your Wonderful Dad and Grandpa. To me he was Uncle Fran and I was blessed to have met him sometime in the late 1980's at his brother's home in MA. One year was more than special when he traveled from Maine with Dear Aunt Jo to celebrate our birthdays together, his, his brother Jesse's and mine. What a wonderful memory that is that I shall ever hold very close to my heart. Whenever Uncle Fran made the trip to MA, I tried to go there as well, but the past few years I was unable to due to my husband, Paul's declining health. Paul Loved Uncle Fran a lot too, those military men always see eye to eye. While you pray and mourn the loss of your Dad and Grandpa, I shall too be in prayer with you, especially at the Midnight service on Christmas which this year is in memory of my Dear Paul whose funeral was Dec 22, 2016. I am sorry for not being able to come and be with you at this difficult time. May your Memories help to comfort you.

*Peace and Love, Beverly Duval*
