“ I remember Frank talking about his nice check-out clerk at Giant. I appreciate your thoughts. This was so profoundly unexpected that I still can't wrap my head around it. Love and Peace.

“ Linda & Ray, I tried calling you but got your answering machine. How did you find out about Frank? He was helping me at my apt because I have major back problems, again. I was sleeping and heard an odd nosy like something solid hitting the floor and got up & went to check and found him on the kitchen floor. He died of a heart attack and this was profoundly unexpected. Frank was cremated and we will scatter his ashes on one of his famous hiking trails this summer. Would love to hear from you all, Love & Peace.

“ So very sorry to the family for your loss.
Frank will be missed.
He was always a smiling face during my days at Giant Food, and even after 11 yrs since I've seen him... He still kept in touch.

You will be missed OI Friend.
