“ This wonderful woman was my Great Aunt! She was funny, caring, sarcastic and an all around awesome person! She always kept us in stitches at family gathering. She always spoke her mind, sometimes with a tinge of harshness but that was Garnetta! I didn't get to see her much because I live in Illinois but when we came in you better bet we got together. We shared laughs, tears, happy and sad memories. It was great to talk with her and hear the family history that I would have never known otherwise. I have thought of her often over the years, talked about her a lot to my kids and missed her so much! Now I will miss her more but she will never be forgotten. I love you!
