“ So sad to learn of Gary's passing. Praying the knowledge he's now residing in Heaven brings peace. May precious memories comfort you. What a servant's heart he had. I knew him first through Shenandoah Sand, but I'd see him every Spring when he serviced my mowers! He's resting from those labors now.

“ For those out there who saying you should call someone you've lost contact with now is the time. I haven't seen Gary in about two years and kept telling myself to call to say hello. Life would jump up and get in the way which is no excuse. Don't put it off or that call won't be possible. So to Joan I say how very sad I am that Gary passed. I'll say a prayer of comfort for you and hope to see you in the future. God Bless you. Jim Novotny
