“ I also went to Gore school with Gary. Yes, he was very polite and quiet. I guess I'm shocked every time I see another friend, especially elementary school friend, here. It's very sad. Rest in peace, Gary. Until we meet again, and God bless you and your family.

“ I was a neighbor of Gary's as a kid when we both lived on Back Creek Road in Gore.  
Gary was a quiet, slow talking, and well mannered young man who was very well liked by all of us kids in our community.  
We attended school together at Gore Elementary School.  
Due to fate, we took different paths and would occasionally cross paths during our adult years.  
On those rare occasions when we did cross paths we would talk about ourselves since those Gore days.  
In those conversations, he would always talk about his family, and as he did his face would light up with pride.  
While physically Gary has progressed on, but he leaves behind a lot of fond memories.  
Cling to them with no regrets.
